<p>Name: Student</p> <p>Dates to work: October 27, Gallery of Pacific Butterflies,</p> <p>Why I chose this event. What is my experience:</p> <p>Hello,</p> <p>October 27 is a good day for me to volunteer. I have no school the next day and can help clean up. I worked with customers in my job at the movie theater for one and a half years and can (usually/sometimes/always) make people happy. I also like to help children and am good at helping them in the store. I know about Pacific Butterflies from a summer class last year and can tell people about them. Also, I make jewelry with a friend for selling on the internet.</p> <p>Sincerely,</p> <p>Student.</p>
